

Nurgül Aksoy

Product Designer

EXPERIENCE

Product Designer

Mews Systems

Sep 2022 - Present - Amsterdam

I manage design projects, collaborate with cross-functional teams, and contribute to the design system, creating intuitive payment experiences aligned with business needs and customer insights.

Product Designer

Worley

Feb 2022 - Aug 2022 - Amsterdam

Implementing a comprehensive UX strategy, creating solid information architecture, designing various user elements, planning and moderating workshops, conducting usability studies, and establishing UI design guidelines to enhance Worley's Digital business.

UX and UI Designer

Milsoft Software Technologies

Nov 2020 - Jan 2022 - Ankara

Collaborative UX design experience with cross-functional teams, contributing to an efficient design system, and simplifying complex functionality for an elegant user experience, with a focus on current technology trends.

Product Designer

FNSS Defence Systems

Nov 2018 - Nov 2020 - Ankara

Worked in a multi-disciplinary team designing embedded control panels and interfaces, defining user models for new products. Proficient in wireframing, user journeys, and information architecture with various design tools.
